**Comments:**

The claims need to be amended as follows before the application can be issued:

Cancel withdrawn claims 23-62 and 49-76.

Correct claim 33: at line 2, "the document server" lacks antecedent basis. "a document server" is acceptable.

Cancel rejected claim 77 and write claim 78 in independent form.

I can quickly send the application to issue if you fax a proposed examiner's amendment to me, at 571-273-6717, before your close of business Wednesday, 15 March 2006. Otherwise I will have to mail a request for amendment.
